BigFoot D-A Coarse High-Performance Cutting Compound

D-A COARSE is a high-performance compound from RUPES designed to remove defects and deliver an impressive finish various surfaces. D-A Coarse continues the BigFoot polishing system tradition fast cutting, impressive finishing capability, and smooth operator experience with low dust and effortless wipe off. This compound is formulated to maximize the polishing power of all dual-action polishers, including random orbital and gear-driven tool movements, and pairs perfectly with RUPES BigFoot polishing pads. Use RUPES D-A Coarse Compound with BigFoot D-A Coarse blue foam pads, D-A wool pads, or microfiber pads to remove up to 1500 grit sand scratches on most automotive paints, gelcoat, and similar surfaces. The powerful cutting ability and unexpected level of finish quality produced by the RUPES D-A Coarse compound make it an ideal solution for automotive clear coat, gelcoat, lacquer, and many other surfaces in several industries.

SKU: 9.DACOARSE – 1000ml (33.8oz) "Case Of 4"

SKU: 9.DACOARSE250 – 250ml (8.45oz) "Case of 4"

BigFoot D-A Fine High-Performance Polishing Compound

D-A FINE combines the power to quickly polish away moderate paint defects with the finesse essential to producing a stunning haze-free finish on automotive paint, gelcoat, and similar surfaces. This unique fusion of performance is the result of RUPES extensive development and testing process combined with our technical expertise as a world leader in surface correction. BigFoot D-A Fine maximizes the finishing ability of all random or gear-driven orbital polishers when used with BigFoot D-A fine foam, wool, and microfiber pads. Use this amazing fine polishing compound by itself to remove moderate defects and create gloss on softer finishes or as a second step to further refine a surface corrected with BigFoot D-A Coarse Polishing Compound.

SKU: 9.DAFINE – 1000ml (33.8oz) "Case of 4"

SKU: 9.DAFINE250 – 250ml (8.45oz) "Case of 4"

UNIVERSAL ALL-IN-ONE POLISH & POLYMER PROTECTION

UNO PROTECT is an all-in-one compound, polish, and protectant that removes moderate defects and leaves a high-gloss, slick, polymer protected finish that lasts for up to 90 days. The specialized blend of advanced abrasives combined with high tech synthetic sealants can be applied by machine or by hand to automotive clear coat, gelcoat, and similar surfaces. The incredibly versatile formula can be tuned by simply changing the pad type depending on the target defects or specific application. UNO PROTECT produces rapid results with minimal effort making it the ideal solution for express detail services, high-volume detail shops, car dealerships, and used car reconditioning facilities.

Coarse Wool

For Random Orbital Polishers. Engineered to reduce drag on the paint, RUPES BigFoot Blue Coarse Wool Pads the ideal choice for maximum paint defect removal when used on BigFoot Random Orbital, Gear-Driven "Mille", and Triple-Action Polishers. The dual-fibers' short lengths effectively transfer the orbital movement to the paint for fast cutting, while the blue foam support allows for the pad to conform to body panel shapes and contours. RUPES D-A Coarse Compound is recommended on Random Orbital and Triple-Action Polishers; RUPES D-A Coarse Compound is recommended on Gear-Driven "Mille" Polishers. Ideal for all paint finishes.

Medium Wool

For Random Orbital Polishers. The plush natural wool fibers of RUPES BigFoot Yellow Medium Wool Pads make polishing effortless when used with BigFoot Random Orbital, Gear-Driven "Mille", and Triple-Action Polishers. The natural fibers lightly polish away fine defects and create a high-gloss finish, while the yellow foam support allows for the pad to easily conform to body panel shapes and contours. Unlike traditional wool pads which are known for their tendency to leave finishes hazy the highly refined wool material used in the BigFoot Yellow Medium Wool Pad can leave a wax ready finish after removing moderate defects in just one step. RUPES D-A Fine Polishing Compound is recommended on Random Orbital and Triple-Action Polishers; RUPES D-A Fine Polish is recommended on Gear-Driven "Mille" Polishers. Ideal for all paint finishes.
